

## **Neighbourhood Support Katikati**

**10<sup>th</sup> November 2021**

**Remember to keep clocking in.**

**If we keep on doing the right things, getting our Covid injections, wearing masks and keeping the 2 metre distance from strangers we may finally get back to as near normal as we can in these weird times. A lesson well learned.**

At times like this Neighbourhood Support comes into its own. Check on those who may need your help, the elderly, sick, mentally or physically impaired and any foreign immigrants whose first language may not be English. Check on each other and offer support whenever you can.

When on the computer using Facebook or any other social media platforms don't take all you read as the truth. There is so much data produced on these sites that really should be ignored as they are used by some people to pass on information that is not correct. If you need to check for the latest information go on line to [covid19.govt.nz](https://www.covid19.govt.nz)

The New Zealand Neighbourhood Support monthly campaign this month is **"Its not OK"**. This is about family violence and reported to the Police in 2020 there were 165,039 cases. These include Elder and child abuse, sexual assault, bullying and more. This coincides with the International White Ribbon day on the 25<sup>th</sup> November that aims to prevent Violence towards Women.

If you're driving about make sure you're wearing your seatbelt, are alcohol-free, not talking or texting on your cell phone and you're driving under the speed limit.

### **Arrests and Apprehensions.**

Male arrested in KatiKati for assault on a family member, appeared in the Tauranga district court.

Male arrested for breaching bail conditions.

### **General**

The public counter is open, but I would encourage people to keep on reporting crime and incidents online through the Police website or by ringing 105 unless it is urgent in which case 111 is the go-to number.

If you SEE something SAY something.

Graffiti Busters have gone into recess which means that there will be no one to paint out any graffiti that appears around the town. This is a real pity and our thanks must go to the guys that have been doing this they have done a great job and the town really looks good without any graffiti around. Thank you.
