What is Neighbourhood Support?

Neighbourhood Support is a nationwide community led movement that brings people and neighbourhoods together to create safe, resilient, and connected communities.

We work alongside NZ Police and other partners to equip neighbourhoods to improve safety, get prepared for emergencies, and support one another so that our communities are great places to live.

3 Ways To Connect With Your Neighbours...

- **Look Out**

Help keep your community safe by looking out for your neighbours. If something doesn't look right, let them know or get help if needed.

- **Reach Out**

Wave, say 'kia ora,' or introduce yourself. Welcome new residents to your street when they move in.

- **Help Out**

Share surplus from your garden or fruit trees. Offer to take the rubbish out for someone who needs a hand. Take time to chat with someone who lives alone. There are many ways you can make a difference!

Neighbours that know each other are more likely to offer, accept, and ask for help when they need it. Let's build a stronger Aotearoa by staying more connected.
