

## NSNZ RESOURCES GUIDE

As part of the benefits of being a member of Neighbourhood Support New Zealand, all members are provided with full access to use of our branding and trademarks including our logo and resources. Resources themselves include paid and printed items such as our street signs and stickers, but also an ever-evolving range of free resources such as templates and digital marketing materials.

We also offer free support to members who are getting a resource designed and printed locally. Depending on the circumstances, we may be able to provide either graphic design assistance or at the very least some guidance or suggestions that are in-line with our brand guidelines.

Should you have an idea for a resource you think members would benefit from, feel free to send your suggestion to [kirsty@neighbourhoodsupport.co.nz](mailto:kirsty@neighbourhoodsupport.co.nz).

### How To Order

Please complete an order form which includes your choice of resources, quantity, total cost as well as organisation and shipping details, and email it to our National Office at: [kirsty@neighbourhoodsupport.co.nz](mailto:kirsty@neighbourhoodsupport.co.nz)

Payment can be made by bank transfer. All orders for rural signs must be paid up front after receipt of your invoice before your order will be sent. For all other resources, your order will be placed and delivered to the address specified on your order form as soon as it's received.

RESOURCE CREDIT

When possible, NSNZ strives to provide our members with a credit for purchasing core resources. This ensures that all member organisations are able to put together comprehensive Welcome Packs for new members. Other items are also available for purchase through National Office and you will be invoiced separately for these. You can also purchase extra core resources via invoice if you run out of Resource Credit. To check your available Resource Credit and order resources, please email [kirsty@neighbourhoodsupport.co.nz](mailto:kirsty@neighbourhoodsupport.co.nz)
