

Other languages and formats: COVID-19 information

Here in Aotearoa we are fortunate to have a lot of diversity. It's common in any neighbourhood to have families or individuals who speak other languages, or because of their disability, need info in another format.

To best support them through the COVID-19 pandemic, here are sources where you can go to find this info online:

- Info in 24 different languages - covid19.govt.nz/updates-and-resources/translations
- Facebook updates from the Ministry for Pacific Peoples - facebook.com/MinistryforPacificPeoples
- Info in Te Reo Maori - paerangi.nz
- Info in NZ Sign language, large print and audio, and Easy Read - covid19.govt.nz/updates-and-resources/accessible-information
- Info in NZSL from Deaf Aotearoa - deaf.org.nz
- Info for blind people in accessible formats - abcnz.org.nz/uncategorized/covid-19

And more generally, the two best places for up-to-date info are:

Unite Against COVID-19 website - covid19.govt.nz

Ministry of Health website - health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus
